# WE'RE AN ESSENTIAL BUSINESS WITH ESSENTIAL PEOPLE.

UFP Industries provides thousands of products and many services for essential industries such as construction, infrastructure, agriculture, shipping and more. Our products are key to everyday life and are wide-ranging, including treated lumber, trusses and building components, concrete forming materials, agricultural and industrial packaging, and fixtures for consumer-facing businesses.

## Grow with a company that's reliable and growing.

Founded in 1955, UFP Industries is a growing FORTUNE 1000 company with operations worldwide, creating rich opportunities for employees to advance and earn exceptional rewards through bonuses. We proudly promote from within, and many employees use their first jobs as stepping stones to bigger things. In fact, most of our senior executives started in entry-level roles and advanced into leadership roles. You can too!

## What's it like working at UFP Industries?

You'll find coworkers who treat you like family—people who have your best interests at heart and will make your career goals a priority. We work hard, go the extra mile, and have an entrepreneurial spirit. We value safety and training, and have dedicated programs to help employees work safely and develop dream careers in production, sales, design, transportation and management.

## How does UFP Industries reward employees?

When UFP Industries does well, our employees are rewarded with profit-sharing bonuses and other perks. Full-time employees are eligible for a benefits package that includes:

- Medical insurance
- Dental and vision insurance
- Life and disability insurance
- 401(k) retirement plan
- Paid holidays and vacations
- Employee Assistance Program
- Employee Stock Purchase Plan

## Think about tomorrow... not just today.

UFP Industries is a big company that wants its employees to dream big. Think about where you want to take your career in the years to come, and we'll help you make that dream come true.
